POINTS & JUDGING *Explained:*

POINTS:

1st Place = 3 Points
2nd Place = 2 Points
3rd Place = 1 Point
4th - HC = 0 Points

For every section points are added up for each placing and an overall winner and runner up is determined from the points total. Most Points overall for the Home Industries is established from the overall totals from each section.

The more you enter and receive a placing, the more points you will gain in total.

JUDGING:

- Each exhibitor is given a number when entering to place on their entries.
- The Judges have no knowledge who the numbers belong to or who has entered entries.
- We try to place the numbers where they are not visible on the entries. This allows the judging to be unbiased.
- We use a different judge for each section and allow the judges to interpret and judge each class as they see fit.
- The judges decision is final.

TROPHIES TO BE AWARDED FOR:

Country Jewel Trophy
for Most Points overall across all sections.

Jessica Irwin Memorial Tray
for Baking - Most Points Under 17 Years.
